

Waste and recycling collection services

From our Resource Recovery Facility in Wingfield, REMONDIS provides waste collection and recycling services for Adelaide businesses. Operating our own fleet of heavy vehicles and dedicated drivers, plus our Recycling Facility, Product Destruction and Medical Disposal equipment, we're in a position to offer a full service, trouble-free.

Waste collection services include

Dry waste

General waste

Co-mingled recycling

Paper & cardboard recycling

Organics (food & garden)

Medical

4 reasons to choose REMONDIS

When it comes to managing your waste, REMONDIS is the local South Australian partner you can trust. We'll make it easy for you by reliably delivering the services your business needs, on time and on budget, while maximising diversion from landfill.

A strong local team backed by a big global business, so you can rely on us

Our customers love our reliability; we'll collect your bins on time

Keep things simple by consolidating multiple waste and recycling services with REMONDIS, billed on one invoice

Our friendly, Adelaide-based Customer Service team is second to none!
